

Park Survey Report

Introduction

We asked residents, park users, and those attending “Party in the Park” to help shape your park. We explained why the old equipment was being removed and asked what should be put in its place.

We gave some ideas that we had already heard: Bike track, outdoor fitness area, senior outdoor fitness area, nature walk and pond, running/walking track, and offered the option to suggest other ideas as well.

We wanted to know how often you use the park out of interest and if you had any comments or accessibility issues with the park.

Participants were not required to leave their contact details to protect privacy, but were given the option if they wished to do so.

Survey Findings

Main Ideas

- Bike Track - 39
- Walking/Running Track - 9
- Nature Walk and Pond - 8
- Outdoor Fitness Area - 4
- Senior Fitness Area - 3

Other Suggestions

- Swimming Pool/Splash Pad - 3
- Skate Park/Ramps - 1
- Car Park - 1
- 4G Pitch - 1
- Pump Track - 1
- Park for over 8's - 1

A total of 10 participants left their contact details.

Resident Comments

- Baby Changing Unit
- Skate Park
- Teenage facilities/activities missing in Park.
- Pump Track
- New Paths and Lights needed.
- Parking urgently needed for users and paths and lights.
- Reinstate the pool.
- There are not enough pavements and safe areas for children to cycle from Glynneath to Cwmgwrach for school. Look at the paths in Swansea and Llanelli.

Cyngor Cymuned Blaengwrach Community Council

- Uneven paths and lack of hand rails and lighting.
- Climbing frames, tyre swing etc.,
- I think a bike track would be good because it would also be used by teenagers as there isn't much for teenagers to do in the village at the moment.

Observations

The majority of daily users want a bike track. A number of participants gave more than one choice or added another idea. Some did not say how often they used the park.
